

Admissions Policy

It is our intention to make our Nursery genuinely accessible to children and families from all sections of the local community.

In order to accomplish this, we will;

- Arrange our waiting list in order of date application
- Describe the Nursery and its practices in terms which make it clear that it welcomes children from all cultural, ethnic, religious and social groups, with and without disabilities
- Monitor the gender and ethnic background of children joining the group to ensure that no accidental discrimination is taking place
- Make our equal opportunities policies widely known
- Be flexible about attendance patterns so as to accommodate the needs of individual children and families, providing these do not disrupt the pattern of continuity in the setting that provides stability for all the children
- We describe our setting and its practices in terms that make it clear that it welcomes both fathers and mothers, other relations and other carers, including child minders
- We consult with families about the opening times of the setting to ensure we accommodate a broad range of family need

This policy was adopted at a meeting of The Robin Nursery Committee
