

## PARENTAL INVOLVEMENT POLICY

Parents are the first educators of their young children. The aim of the group is to support their essential work, not to supplant it.

We will:

- Make all new parents aware of groups systems and policies
- Ensure that parents are informed on a regular basis about their child's progress
- Involve parents in shared record keeping about their own child, either formally or informally
- Ensure that all parents are fully informed about meetings, conferences, workshops and training
- Welcome the contributions of parents, whatever form these may take
- Make known to all parents, the systems for registering queries, complaints or suggestions
- The group is run by an elected committee of which at least 60% of members must be parents or guardians of the children of the nursery. Parents are encouraged to get involved

This policy was adopted at a meeting of The Robin Nursery Committee
